

REPUBLIC OF THE PHILIPPINES  
**NATIONAL DISASTER RISK REDUCTION AND MANAGEMENT COUNCIL**

National Disaster Risk Reduction and Management Center, Camp Aguinaldo, Quezon City, Philippines

## **NDRRMC UPDATE**

### **SitRep No. 10 re Effects of Enhanced Southwest Monsoon**

Releasing Officer:

  
**USEC ALEXANDER P. PAMA**  
Executive Director

**DATE : 15 July 2015, 5:00 PM**

Sources: PAGASA, DOH, BFAR, DPWH, PRC, BFP, PCG, PNP, DSWD-DROMIC, OCDRCs I, II, III, IV-A, IV-B, V, VII, CAR, and NCR

#### **I. SITUATION OVERVIEW**

Severe Tropical Storm (STS) "Egay", developed inside the Philippine Area of Responsibility (PAR) on 02 July 2015 and exited the PAR on 07 July 2015, and Typhoon "Falcon", entered the PAR on 07 July 2015 and exited on 10 July 2015, enhanced the Southwest Monsoon which brought moderate to occasionally heavy rains over Luzon and Visayas especially over the western sections.

The southwest monsoon triggered the occurrence of flooding in several areas in Regions I, III, and NCR. Subsequently, landslide incidents was reported in Regions III, NCR, and CAR as the Southwest Monsoon continues to be experienced in Ilocos, Cordillera, Benguet, Zambales, Bataan, Pangasinan, Metro Manila, Cagayan Valley, and Central Luzon to date.

#### **II. EFFECTS**

##### **1. Affected Population (Tab A)**

- A total of **8,611 families / 41,029 persons** were affected in Regions III, IV-A, NCR, and CAR.
- Population served inside 7 evacuation centers: 44 families / 172 persons.
- Population served outside evacuation centers in Region III: 62 families / 315 persons.

##### **2. Casualties (TAB B)**

A total of **16 persons** were reported dead in Region I, III, IV-A, IV-B, CAR, and NCR. **Eleven (11)** were reported injured in Region VI and CAR while **four (4)** are still missing in Region I.

##### **3. Incidents Monitored (TAB C)**

A total of **25** incidents were monitored – eleven (11) drowning, six (6) landslide, (5) collapsed structures, one (1) maritime, one (1) tornado, and one (1) fallen debris.

##### **4. Suspension of Classes / Work**

By virtue of Memorandum Circular No. 78, s. 2015, the Office of the President declared suspension of work in government offices in Metro Manila effective at 3:00 PM, 09 July 2015.

##### **5. Flooded Areas / Roads (Tab D)**

- A total of seven (7) road sections in La Union, Bulacan, Benguet, and Oriental Mindoro were reported closed to traffic due to flooding, landslide, and mudflow.
- Flooding in Valenzuela City was reportedly subsided.**

c. Flooding of different depths still persist in Regions I and III.

## 6. Damages

### Damaged Houses

a. A total of seven (7) totally damaged houses was reported in Bataan and Bulacan: one (1) in Dinalupihan, Bataan; one (1) in Pulilan, Bulacan; and five (5) in San Jose Del Monte, Bulacan.

### Damaged Roads and Bridges

- a. RGV Road in Barangay San Nicolas, Naujan, Oriental Mindoro was eroded due to heavy rains.
- b. Tulariquen detour road and bridge approach located along Puerto Princesa North Road (PPNR), Barangay Tulariquen, Roxas, Palawan were washed-out due to strong river current brought about by heavy rains.

### Cost of Damages to Agriculture (Tab E)

a. Region III sustained a total of ₱3,897,888.00 cost of damage in rice and corn.

## 7. Cost of Assistance

A total of ₱3,714,894.00 worth of relief assistance was provided in NCR and Region III:

Province/City/Municipality	Cost of Assistance (₱)		
	DSWD	LGUs	TOTAL
<b>GRAND TOTAL</b>	<b>3,705,894.00</b>	<b>9,000.00</b>	<b>3,714,894.00</b>
<b>NCR</b>	<b>2,434,894.00</b>		<b>2,434,894.00</b>
Caloocan City	2,066,641.00		
Quezon City	737.00		
<b>Region III</b>	<b>1,271,000.00</b>	<b>9,000.00</b>	<b>1,280,000.00</b>
Bulacan	1,271,000.00		
Zambales		9,000.00	

## III. DISASTER PREPAREDNESS (Tab F)

RDRRMCs I, II, III, IV-A, IV-B, and CAR conducted Pre-Disaster Risk Assessment (PDRA) for Typhoon Falcon, Southwest Monsoon (Habagat), and Typhoon Nangka on 10 July 2015.

**Effects of Enhanced Southwest Monsoon****DISASTER PREPAREDNESS****As of 15 July 2015, 5:00 PM****A. NATIONAL / NDRRMC****1. NDRRMC Operations Center**

- a. The NDRRMC Operations Center maintained its Blue Alert Status to continuously monitor and ensure dissemination of Weather Advisories, 24-hour Public Weather Forecasts, Gale Warnings, General Flood Advisories, and Hydrological Dam Situationers for La Mesa Dam and Ipo Dam, to all RDRRMCs/OCDCs through SMS, facsimile, and websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs) from the provincial down to the municipal levels.
- b. Pre-Disaster Risk Assessment (PDRA) Meeting was conducted on 07 July 2015, 5:00 PM, 09 July 2015, 3:00 PM, and 10 July 2015, 10:00 AM, presided by the OCD Deputy Administrator together with the PDRA Core Group at the NDRRMC Operations Center, Camp General Aguinaldo, Quezon City
- c. On 08 July 2015, as per advice of PAGASA, NDRRMC recommended thru a letter to His Excellency President Benigno S. Aquino III, the suspension of classes in all levels and work in both government and private offices in the Provinces of Laguna and Cavite due to the heavy rainfall brought about by the Southwest Monsoon.
- d. On 09 July 2015, NDRRMC further recommends suspension of classes at all levels and government work, except in agencies providing essential frontline services on 10 July 2015.

**2. Philippine Atmospheric Geophysical and Astronomical Services Administration (PAGASA)**

- a. Continuously monitors the situation and disseminates Weather Bulletins, Gale Warnings, General Flood Advisories, and 24-hour Public Weather Forecast.
- b. Issued Hydrological Dam Situationers for La Mesa Dam and Ipo Dam; and in continuous and close monitoring of the situation.

**3. Department of the Interior and Local Government (DILG)****DILG IV-A**

- a. In close monitoring of the AOR.
- b. Provides assistance in the dissemination of weather advisories within the AOR.

**DILG IV-B**

- a. Alerted all field officers in their AOR.

**DILG NCR**

- a. Monitoring and Evaluation Division is monitoring for the effects of southwest monsoon in their AOR.

**DILG CAR**

- a. Issued memorandum for the continuance of Red Alert Status of the LDRRMCs.
- b. Currently developing a comprehensive database which contains the in-depth and comprehensive analysis that may be the reference point of the Response Clusters determination of preparedness measures.

#### **4. Department of Science and Technology (DOST)**

##### **DOST IV-A**

- a. Utilized Project HANDA Text Blast to continuously disseminate weather advisories.
- b. Closely monitors the situation and weather updates in the AOR.

#### **5. Department of Social Welfare and Development (DSWD)**

##### **DSWD FO II**

- a. Has standby funds amounting to PhP2,358,106.73.
- b. Ensures the availability of 26,934 stockpiled family food packs.
- c. Prepositioned 16,585 family food packs to the Provinces of Cagayan (3,840), Isabela (6,245), Quirino (2,600), and Nueva Vizcaya (3,900).
- d. Prepositioned goods in the Province of Batanes such as: 340 sacks of NFA rice, 55 boxes of sardines, 95 boxes of meatloaf, 95 boxes of sausage, and 91 boxes of corned beef.
- e. Ensures the availability of one (1) heavy duty and seven (7) portable generators.
- f. Alerted Disaster Management Response Teams (DMRTs), Social Welfare and Development (SWAD) teams and City/Municipal Action Teams (C/MATs).

##### **DSWD FO IV-A**

- a. Posted advisory within the region to alert all Quick Response Teams (QRTs), SWAD Officers, Pantawid Pamilya Provincial/Municipal Links, and PDOs to be ready for activation (deployment and disaster duty), and informed to monitor their AORs and submit report to DMCIU.
- b. Alerted all SWAD teams to monitor their respective AORs.
- c. Conducted inspection on evacuation centers.
- d. Identified 19,912 available family food packs and ensured the availability of 90 boxes ready-to-eat food at GMA warehouse.
- e. Instructed all Regional and Provincial Quick Response Team to monitor their respective areas.
- f. Alerted Field Office Staff for possible activation of disaster duty.
- g. Attended Pre-Disaster Risk Assessment at Office of Civil Defense IV-A
- h. Conducted rapid assessment in Calamba City, Los Baños and Bay, Laguna and distributed 3,000 DAFAC forms to each municipality.
- i. Deployed staff at the Emergency Operation Center of OCD IV-A for the preparation of reports, monitoring and sharing of information.
- j. Requested for additional P2,000,000.00 standby fund for DReAMB Central Office.

##### **DSWD FO IV-B**

- a. Alerted all SWAD teams and QRTs in their AOR.
- b. Prepositioned relief goods to select geographically isolated depressed areas in MIMAROPA.

##### **DSWD FO CAR**

- a. Prepositioned 24,398 family food packs at the DSWD-CAR Regional Office and 14, 200 family food packs in other provinces of CAR.
- b. Eighteen (18) QUART teams at the Field Office and in the provinces alerted to render duty at their respective PDRRMC/MDRRMC Operations Center
- c. Ensured availability of standby fund
- d. Provincial SWAD Teams on-duty.
- e. Requested DILG-CAR for ready-information through LDRRMCs a specific estimation of the populace to be affected.

- f. QUART on alert and renders duty at the Cluster Hub.

## 6. Department of Health (DOH)

- a. Health Emergency Management Bureau (HEMB) is on Code White Alert.
- b. Issued alert memorandum to all regional offices regarding preparation, preposition of teams, and stockpiling of medicines in their AORs.
- c. DOH-CO is on Code White Alert status.
- d. Ensured that a total of PhP45,172,185.03 worth of logistics is available at the DOH-CO for augmentation.

### DOH I

- a. Activated Operation Center (24/7 duty of RESU-HEMS Staff)
- b. Alerted cluster heads of the region to be ready for deployment and for the provision of technical assistance and logistics.

### DOH II

- a. Prepositioned drugs and medicines in five Provincial DOH Offices amounting to PhP100,000.00 each.
- b. Placed Development Management Officers on standby for possible deployment.
- c. Notified retained hospitals (Cagayan Valley Medical Center and Southern Isabela General Hospital) in anticipation for any eventualities.
- d. Coordinated with RDRRMC line agencies.
- e. Conducted inventory and preparation of drugs, medicines, and supplies amounting to PhP8,081,029.62, first aid kits (190), family health kits (300), hygiene kits (650), and CAMPOLAS kit (44 box 1 and 33 box 2)

### DOH III

- a. Prepositioned a total of PhP1,050,000.00 worth of assorted drugs and medicines to all provinces in the region.
- b. Reported the availability of PhP15,000,662.00 worth of logistics at the warehouse.
- c. Raised Code White Alert and activated DOH-RO3 medical response team.
- d. Prepositioned a total of PhP274,699.98 worth of family kits, hygiene kits, water containers, drugs, medicines, and supplies in the Provinces of Bulacan and Zambales.
- e. Prepositioned the following:

Province	Supplies & Kits	Logistics	Total
Bataan	Medicines 10 Gerrycans 10 Emergency Family kits	11,719.00	286,418.98
Bulacan	Family Kits Hygiene Kits Water container	154,253.98	
Zambales	Drugs Medicines Supplies	120,446.00	

### DOH IV-A

- a. Alerted provincial medical teams.
- b. Prepositioned medicines and supplies worth PhP10,000,000.00.

### DOH IV-B

- a. Continuously coordinates with Provincial DOH Offices (PDOHOs) and HEMS focal persons for any untoward incidents.
- b. Prepositioned assorted drugs and medicines in PDOHOs.

#### **DOH V**

- a. Informed and coordinated with the Provincial HEMS Coordinators, PDOHOs of Camarines Norte and Albay, and Development Management Officers (DMOs) to monitor their AORs.
- b. Prepositioned assorted drugs and medicines to PDOHOs.

#### **DOH CAR**

- a. Ensured enough medical supplies to be augmented if the need arises and that all counterparts are on alert and ready to provide real-time information once monitored.

### **7. Department of Agriculture (DA)**

#### **BFAR I**

- a. Activated their Command Center.
- b. Continuously monitors updates from PAGASA regarding the weather situation.
- c. Advised all PFOs, Division Chiefs, Station Heads, and Project Leaders to secure people facilities and projects within AORs.
- d. Advised response groups / Quick Response Teams to be on alert.
- e. Ensured that office vehicles and floating assets are ready for deployment.

### **8. Department of Public Works and Highway (DPWH)**

#### **DPWH II**

- a. Activated all district offices.
- b. Prepositioned all available/operational equipment with operator including designated inspectors to the landslide prone areas identified by concerned DEOs.
- c. Close coordination with District Offices for possible augmentation.

#### **DPWH IV-A**

- a. Issued Department Order No. 15 regarding guidelines to ensure disaster preparedness of DPWH Field Offices in promptly responding to typhoons and other calamities including criteria in the release of Calamity Fun.

#### **DPWH IV-B**

- a. Motor Vehicle User Charge (MVUC) workers and maintenance crew of the district's DRRM teams are activated to monitor condition of national roads and bridges and other infrastructure facilities in the region.

#### **DPWH CAR**

- a. Constant road clearing operations.
- b. All District Engineering Offices and Disaster Task Groups are on alert.
- c. District Engineering Offices (DEOs) are on alert status and to prepare / submit situation report to the regional office.
- d. On 24/7 monitoring on road conditions.
- e. Road clearing equipment are on standby
- f. Provided reports/updates on the condition of roads in Benguet. As of 10 July 2015, Akop, Kibungan and Bakon Road, and Goldfield along Baguio Itogon Road are all closed to traffic but they will be expected to be open on 11 July 2015.
- g. Alerted all District Offices with their respective Disaster Response Task Groups to intensify road safety precautions and prepositioning of heavy equipment.

## **9. Department of Environment and Natural Resources (DENR)**

### **DENR IV-A**

- a. Ensures the availability of chainsaws to support LGUs and response agencies for possible clearing operations.

## **10. Philippine Information Agency (PIA)**

### **PIA IV-A**

- a. Assisted in the dissemination of advisories and provision of updates.

### **PIA IV-A**

- a. Continuous dissemination of weather advisories and warning alerts to the public through text blasts, social media accounts, and various media outfits (broadcast and print).

## **11. Philippine Red Cross (PRC)**

- a. Conducted inventory of manpower, equipment, and stockpile of food and non-food items in different chapters nationwide.

### **Red Cross – Cagayan Chapter**

- a. Continuously monitors their AOR.
- b. Continuously disseminates weather bulletins to C/MDRRMCs.
- c. Closely coordinated with MDRRMCs regarding the situation in their AOR.
- d. Ensured that rescue teams and equipment are ready for deployment.

## **12. Technical Education and Skill Development Authority (TESDA)**

### **TESDA-CAR**

- a. On alert status.

## **13. Armed Forces of the Philippines (AFP)**

### **Southern Luzon Command (SOLCOM)**

- a. Conducted inventory of rescue equipment.
- b. Prepared radio communication equipment to be utilized in case of untoward incident.

### **Central Command**

- a. Coordinated with OCD VII, Naval Forces Central, and 2nd Air Division for the sea and air assets to be deployed for search and rescue operations in Cebu.

### **Joint Task Force (JTF) – NCR**

- a. Humanitarian Assistance and Disaster Response (HADR) units are on standby and ready for deployment.

### **503<sup>rd</sup> BDE and 5<sup>th</sup> Division**

- a. Rescue teams and disaster response units are on standby for possible response actions.
- b. 503<sup>rd</sup> BDE on alert and ready to move on order.
- c. Communication equipment like Harris man pack/hand held radios are on standby.
- d. 5<sup>th</sup> ID, issued warning order in all its units to be prepared and if situation warrants, to dispatch Disaster Response Teams.
- e. Response and rescue equipment are on standby.

### **TOG 1, PMA-DRTG**

- a. On alert status.

- b. Rescue and response teams on standby.

#### **14. Philippine National Police (PNP)**

##### **PRO II**

- a. Forewarned Police Provincial Offices.
- b. Prepositioned manpower to areas likely to be affected.
- c. Disseminated Weather Advisories/Bulletins.

##### **PRO IV-A**

- a. Activated their respective DRRMCs in all levels in coordination with LCEs.
- b. Placed of Full Alert Status.
- c. Conducted inventory of SAR equipment and vehicles.
- d. Ensures that PNP communication lines in all levels are operational.
- e. Ensures that serviceable generators are available.
- f. Initiated public advisories through different Municipal Police Stations.

##### **PRO IV-B**

- a. Alerted all Police Provincial Offices down to their lower units to continuously monitor the situation in their respective AORs.
- b. Placed Search and Rescue Team on standby alert for possible deployment.

##### **PRO CAR**

- a. Alerted all PPOs to identify high-risk areas and implement dissemination of safety and warning advisories thru roaming mobile units.
- b. Intensify safety precautions thru police visibility.
- c. Provided assistance to concerned LDRRMCs in pre-emptive evacuation.

#### **15. Bureau of Fire Protection (BFP)**

- a. Directed all BFP personnel to be ready and on alert.
- b. Formulated contingency measures and proactive steps in partnership and coordination with the Regional, Provincial and City/Municipal DRRM Councils PNP / AFP / LGUs and other civil agencies relevant to the delivery of fire safety and emergency and related services.
- c. Ensured the availability of fire/rescue/emergency medical personnel, apparatus and auxiliary units for operational needs.
- d. Directed all BFP Personnel that no personnel shall be on leave and personnel of operations units to conduct "Ugnayan sa Barangay" particularly on the basic safety tips on what to do during typhoon.
- e. Directed all BFP operations units to distribute information materials/flyers on disaster preparedness to the citizenry.
- f. Directed all BFP Personnel re blowing of siren of rescue ambulance / fire trucks as an early warning system to the citizenry that a typhoon / flood is approaching the area.

##### **BFP IV-A**

- a. Alerted all Provincial, City, and Municipal Fire Stations to assist the LDRRMCs and be on alert upon receipt of any instruction from the RDRRMC IV-A.
- b. Instructed all City / Municipal Fire Marshals (C / MFMs) to continuously coordinate with local government officials to determine if there is a need for deployment of personnel to affected areas.

##### **BFP IV-B**

- a. Placed all personnel on standby alert for possible augmentation.

**BFP CAR**

- a. Rendered duty at the CORDILLERA RDRRMC Operations Center and Regional Response Hub; consistent in augmenting or deputizing their personnel to assist in the operational procedures of the OpCen.
- b. Provided assistance to the Operations Officers in gathering information from LDRRMCs.

**16. Philippine Coast Guard (PCG)**

- a. Advised all PCG Units to ensure strict implementation of HPG Memorandum Circular Number 02-13 (Guidelines on Movement of Vessels during Heavy Weather).
- b. Accounted the following PCG Deployable Response Groups (DRG) within Metro Manila and Cavite area as of 08 July 2015, 3PM:

<b>LIST OF DEPLOYMENT RESPONSE GROUP (DRG)</b>			
<b>UNIT</b>	<b>NO. OF TEAM/S</b>	<b>ASSETS</b>	<b>LOCATION</b>
1. MEPCOM	2 teams (9 personnel/team)	1 Aluminum boat (stationed at CCP)	Manila
2. CGETC	4 teams 65 personnel (3 teams 16 personnel / 1 team 17 personnel)		Manila
3. CGFLEET	4 teams (15 personnel/team)	HHRDOS / Tending lines	Manila area
4. MARSLEC	1 team (12 personnel) CGATU 1 team CGK9	1 rubber boat w/ OBM	Manila/Taguig
5. MSSC	4 teams (15 personnel/team)	30 life jackets, 1 rubber boat w/ OBM, 3 life ring, 2 tending lines	CBB, Sangley Pt. Cavite
6. CGB TAGUIG	1 team (15 personnel)	1 small aluminum boat (issued by Taguig City) 1 OBM (PCG issue)	Taguig City & nearby Municipalities
7. CGRF	4 teams	2 aluminum boats	South Harbors, Manila

**Coast Guard District Northwestern Luzon (CGDNWLZN)**

- a. Alerted all district operations center.
- b. Placed all WASAR Teams on standby for possible response mobilization.
- c. Coordinates with local leaders, disseminated warning to discourage fisherfolks and other small sea vessels from venturing out the sea given the threat of big waves.

**Coast Guard District Northeastern Luzon (CGDNELZN)**

- a. Observes heightened alert status 24/7 manning of respective command centers and closely monitoring for possible maritime incidents within their AOR.

- b. Continuously disseminates latest weather bulletins and gale warnings. Coordinates to all Stations, Sub-Stations, fisherfolks, and Barangay Captains along coastal areas within their AOR, and advised all small motor banca/ fishing banca not to venture out at sea.
- c. Placed Deployable Response Group (DRG) on standby alert and ready for deployment as the need arises.

#### **Coast Guard District Southern Tagalog (CGDSTL)**

- a. Placed on standby alert mode with assets ready for deployment to flood-prone and coastal areas.
- b. Prepositioned current WASAR assets (44 aluminum boats and 3 rubber boats).
- c. Continuously coordinates with coastal barangays and LDRRMOs.
- d. Closely monitors the maritime situation to avert maritime emergency / incident.
- e. Advised all stations and substations to ensure strict implementation of guidelines on the movement of vessel during inclement weather.
- f. Assigned seven (7) teams to every port.
- g. Intensified port inspections
- h. Directed all CGDSTL Units to advise all passengers to wear issued life jackets on open deck vessel/motorbanca.
- i. Directed all CGDSTL Units to be vigilant and exercise professional judgment to temporarily suspend the travel of vessel if weather is unfavorable, even without typhoon signal.

#### **Coast Guard District Palawan**

- a. On heightened alert and placed all disaster response groups on standby for deployment.
- b. Prohibited small crafts from venturing out of the sea.
- c. Advised all stations and substations to ensure strict implementation of guidelines on the movement of vessel during inclement weather.

### **17. Metropolitan Manila Development Authority (MMDA)**

- a. Advised the public that the Pasig River Ferry System suspended its operations on 09 July 2015 due to zero visibility caused by heavy rains.

## **B. REGIONAL / RDRRMC**

RDRRMCs I, II, III, IV-A, IV-B, V, VII, CAR, and NCR are in continuous dissemination of Weather Advisories to RDRRMC member-agencies, P/C/MDRRMCs, and local media (radio stations) through OCDRC Infoboard Text Blast System, and upload the same to social accounts to effectively ensure public safety and achieve zero-casualty; alerted and closely coordinating with all PDRRMCs and RDRRMC member-agencies for possible rescue, relief, and other response operations relative to the weather disturbance; and continuously monitors the situation in their respective AOR.

### **1. RDRRMC I**

#### **OCDRC I**

- a. Conducted PDRA meeting with RDRRMC I member agencies and PDRRMOs.

#### **LGU Bolinao, Pangasinan**

- a. Coordinated with Coast Guard Sub-station Bolinao and PNP regarding the missing fishermen.

## **2. RDRRMC II**

### **OCDRC II**

- a. Placed emergency telecommunication equipment (Thuraya Satellite Phone) on standby and ready for possible utilization.

### **PDRRMOs Batanes, Cagayan, and Isabela**

- a. Continuously monitor the situation/updates and disseminates weather updates and bulletins to PDRRMC member agencies and M/CDRRMCs.

### **PDRRMO Isabela**

- a. Placed relief and response equipment on standby.

## **3. RDRRMC III**

### **OCDRC III**

- a. Conducted PDRA meeting with RDRRMC III member agencies and PDRRMOs.
- a. On BLUE ALERT Status.
- b. Provided interviews regarding monitoring and situation updates on the weather disturbance.

### **PDRRMC Bulacan**

- a. Suspended classes in all levels in Meycuayan, Sta. Maria, San Jose Del Monte City, and selected schools in Marilao, Bulacan.
- b. Maintains close coordination with Cities / Municipalities / BFP / PNP / Rescue Teams and other concerned agencies.
- c. Disseminated PAGASA Weather Bulletins, updates for Angat, Ipo, and Bustos Dams to C/MDRRMC member-agencies, NGOs, GAs thru SMS.
- d. Regularly monitors / observes forms of rain gauges and water level stations located in different areas.

### **PDRRMO Tarlac**

- a. On Blue Alert Status and closely monitors the situation in their AOR.
- b. Alerted all MDRRMCs to closely monitor the situation.
- c. Regularly sends advisories/updates and situation reports to all LDRRMCs, OCDRC III, PGO and other concerned offices/agencies thru facsimile, sms, phone calls, and social media.
- d. Capas Tourism cancelled all trips, trekking, and other activities in Mt. Pinatubo Crater Lake for safety purposes.

### **PDRRMO Zambales**

- a. Continuously monitors and coordinates with MDRRMOs.
- b. Suspended classes in Candelaria, San Felipe, and Castillejos.

### **PDRRMC Bataan**

- a. Activated their Emergency Operations Center (EOC).
- b. Prepositioned all resource and response teams.
- c. Advised all DRRM and concerned agencies for any eventualities.

### **PDRRMC Pampanga**

- a. PDRRMO Operations Center monitors the situation in their AOR and placed rescue personnel and equipment on standby.
- b. Closely coordinates with Local Chief Executives of high risk barangays.
